NEWS OF THE CITY.

BREVITIES.

—School promises a big time at Wash- ington Hall Garden to-morrow.

FLOUR.—Choice Family Flour in bbls half bbls, sacks &c., for sale at the Egyptian Mills.

—The Hibernian Fire Company's engine-house has been painted, and looks as bright as a new pin.

—The Rough and Ready will inaugurate their new officers in their new meeting-hall next Monday night.

—The County Court's order for an election on the Cairo and Vincennes railroad matter will be issued to-day.

—A little girl fell into County Clerk Lynch's cistern yesterday evening and was nearly drowned. She was rescued by Henry Halliday and Drayman McNulty.

Who is it that does not like smoking hot biscuits for breakfast? The Fame Cook stove will bake them in five minutes time by the watch.

—Flour is becoming more popular than it was last week. More people are after it. Eleven hundred and forty-nine barrels were sold in three days, ending Monday noon, last.

—Billy Hambleton, well known here, has returned to the city from New Orleans. He says three-fourths of that city is under water, and he came back to Cairo in search of a dry spot and to enjoy pleasant weather.

—Judge Bross will vote to direct the County Court to issue the bonds asked for by the Cairo and Vincennes Railroad Company. He is very anxious to have the road built, and now believes this is a step—and a long one, too—in the direction of the procurement of its early completion.

—The Paducah Kentuckian says: "Cairo has an ordinance under consideration, forcing the citizens to take the bells off their cows and keep the animals up during the night. They might put the bells on their editors for they are a 'lost set of fellows' and it might lead to their being found."

—Smallenberg, the prince of gardeners, astonished us yesterday by the present of the largest head of early cabbage we ever saw. In his note, Smallenberg says he sent it as a specimen of what can be raised in Cairo soil. We have no hesitation in saying that the cabbage, of which we are speaking, is head and shoulders above any other cabbage of its kind in the Union.

—The Rev. Mr. Shores informed a former friend of his, a couple of weeks ago, that he, (the former friend) was a thief. The former friend nursed his wrath for two weeks, and then had the Rev. Shores arrested for using language likely to provoke a breach of the peace. The trial will take place this morning at 8 o'clock, before Squire Bross. Munn will appear for Shores, and Linegar, as the "Sub." of Pope, will mildly prosecute.

—The intelligent and appreciative young gentleman who clerks for Mr. H. Meyer, the cigar and tobacco man, sent THE WEEKLY BULLETIN, of June 1st, containing our elaborate notice of Cairo, to the Emperor William, Bismark, Von Moltke the Crown Prince, and other German Generals. We have no doubt William will abandon his throne when he has read THE BULLETIN, eschew monarchical notions, and come to Cairo.

—Pat Fitzgerald, at his Sample Rooms, corner of Commercial Avenue and Fourteenth street, is still selling all kinds of most excellent liquors. He has just received an excellent quality of Escrow Whisky, which he invites all friends of our railroad enterprise to call and taste. It is delicious. If the railroad committee use this liquor as an argument, Pat is sure the Court will at once melt into compliance with the wishes of the people. Don't forget to take a drop or two of Fitzgerald's Escrow Whisky.

—At a meeting of the Cairo Casino, held at their hall, on the evening of the 7th inst., the following officers were elected:

President—H. Meyers;

Vice-President—A. Eschbach;

Secretary—Carl L. Thomas;

Cor. Secretary—H. Dinkel;

Treasurer—Daniel Hehl;

Board of Directors—F. M. Stockfleth, John Schoel and Louis Herbert.

I do not blow as other barbers do. Nor keep my razors like King Williams sword. Because his sword, as all must know, Though handled well, was rough.

I keep my razors sharp and keen. And cups and towels always clean.

Perfumery, too, of all the brands. That's made in this or foreign land.

Then for clean shaving please to stop AT DANIEL LAMPERT'S BARBER SHOP. Oh, Ohio Levee, at 91.

Is where such work is usually done. my194tm

RELIABLE AND SAFE.—Dr. Henry's Root and Plant Pills are mild and pleasant in their operation, yet thorough, producing no nausea or griping. Being entirely vegetable, they can be taken without regard to diet or business. They arouse the liver and secretory organs into healthy action, throwing off disease without exhausting or debilitating the system. Try them and you will be satisfied. Price 25 cents a box. Sold by druggists and dealers in medicine everywhere. Prepared by the Grafton Medicine Co., St. Louis, Mo. my194tm

TRUCK.—There can be no doubt that Baugh is, par excellence, the boot and shoemaker of Cairo. He challenges competition in his trade, and assures the public that he will guarantee to his customers satisfaction. His shop is on Eighth street near the corner of Ohio Levee. if

HOGS.

A Novel Suggestion.—The Number of Hoggers in the City

The hog ordinance excitement has not yet subsided, and several score headed swine owners persistently abuse the council for determining that everyman must feed his own hogs. One of these, writing under a female non de plume, makes the following novel suggestion:

Editor Bulletin:

Can we not make a compromise with our City Fathers in regard to the hog ordinance? Suppose owners of hogs were required to put a collar on each hog and assess a certain tax to be paid by the owner—the City Marshal to furnish the tags and register the same (of course at the expense of the party registering.) People that own dogs are compelled to do it, why not for any other animal? Yours,

OPHELIA.

A tagged hog would be a novelty, but the labor of tagging all that are owned in Cairo would not be great. According to the City Assessor's book, there are only 73 hogs owned within the corporate limits, and of this number 49 are as follows:

Wm. Martin.....fifteen.

Henry Winter.....fifteen.

Kehler & Bro.....nine.

Timothy O'Callahan.....five.

Geo. Youcum.....five.

This leaves twenty-four tagged hogs belonging to other citizens than those named, but these are the only persons in the city who own each five hogs and more.

To whom, then, does the large number of hogs that wander about our streets belong? When the Assessor is going his rounds nobody owns them, and when they die must be carted out of the town they have no owner—are, in short, disowned porkers, friendless and forlorn.

Looking at the suggestion of "Ophelia" with these facts before us, we are inclined to believe it rises to the height of the most able hog statesmanship, and think it should receive prayerful consideration from the Council. Adopt it, and put a bell or tag on every hog running at large on which taxes have been paid, providing, at the same time, that an untaxed or unbelted hog caught in the street after six o'clock in the morning shall be confiscated and become the property of the police, and our word for it, taxes will be collected from a thousand hogs, or Chief of Police Myers will, within ten days after the ordinance goes into effect, have all the loose untaxed porkers penned, and be industriously engaged in preparing them for sale to Wood & Boyle, the pork packers. As our friend Shores says: "This is a happy thought."

POLICE COURT.—Sheehan and Cain made a large number of arrests, and Squire Bross meted out punishment to the offenders with a liberal hand. Particulars, as Dogberry would say, "would be odorous."

A MAGNIFICENT DRIVE.—The kindness of a friend, who is fortunate enough to be able to ride when not disposed to walk, permitted us to enjoy the luxury of a drive along the Mississippi levee last evening. And it was a real luxury. Few cities on this continent can boast of such a drive. Starting from, say the corner of Fourth street and Washington avenue, continuing along the avenue out by Smallenberg's, until you ascend the Mississippi levee, and thence back to the initial point, this, remember, about an hour before twilight, when our southern breezes are strongest and coolest, and when the atmosphere is bracing and invigorating, and one has an hour's enjoyment in Cairo, which to be appreciated must be experienced. Every family should enjoy it. Young and old should patronize it, and Col. Taylor recognizing the desire of the people to have a drive, has again thrown it open to the public.

GREAT EXCITEMENT.—The city has been agitated during the past week on the subject of the excellent St. Louis Beer, Weiss Beer, Rhine Wine, and splendid cigars for sale at Charley Schonemeyer's saloon. His Weiss Beer is becoming a popular drink—his Rhine Wine is the best in the city—his St. Louis Beer always ice cool. The Egyptian Saloon is located at the corner of Tenth street and Washington avenue, where all lovers of good things to drink should call.

HELMHOLD'S Extract Sarsaparilla is the Great Blood Purifier; thoroughly cleanses and renovates the entire system, and readily enters into the circulation of the blood; after purging with HELMHOLD'S GRAPE PILLS, the foul humors that have accumulated in the system for years. Both are carefully prepared according to the rules of Pharmacy and Chemistry, and are thoroughly reliable. A test of 20 years has proved this. Try them. je6d&w1w

FOR SALE.—The store-house on the corner of Tenth and Walnut streets, and also the stock of groceries therein, are offered for sale together or separately. Also, a good buggy and harness will be sold on private terms. Apply for particulars on the premises. BEN F. ECHOLS. juf1f

St. Nicholas.—Day boarders can secure good accommodations at the St. Nicholas (formerly the St. James) at \$4 per week. The house is at the corner of Ohio levee and Eighth street, a central location, and is proprietor by Harry Walker, who is alive to the wants of his patrons. Parties desiring boarding and lodging can learn terms on inquiry at the office. my34df

AVANT, INDIGNATION.—The Charter Oak Stove is the most interesting and important feature in the family economy; for it fills the house with warmth the table with good cheer, and prevents that dreary aspect and indigestible meals that bring sourness of temper, discomfort and dissatisfaction. je6d&w1w

"THE GLORIOUS FOURTH."

CELEBRATION BY THE ROUGH AND READY FIRE COMPANY.

A Grand Picnic to be Given in the Groves of Kentucky.

The Rough and Ready Fire Company are making arrangements to celebrate the coming anniversary of the Fourth of July by a grand picnic on the Kentucky shore, nearly opposite Galigher's mill. A string band will be in attendance and a floor laid for the convenience of dancers. Every means will be taken to make the occasion a joyous one long to be remembered.

We are sure the Rouhs will be liberally patronized by our citizens. They have built a house and fitted up a hall which are a credit to the city, and have expended a great deal of money. That the people will draw their wallets and "shell out" liberally, as the boys say, we have no doubt.

PARTICULAR NOTICES.

To These the Attention of the Public is Especially Invited.

Alba's.—The barber shop of Wm. Alba, on Commercial avenue, near the corner of Eighth street, is the place to which all lovers of a good, close shave with razors sharper than the wit of twenty Jerrolds, wind their way.

Meats.—The branch meatshop of James Kynaston, located on Commercial avenue, next door to the grocery store of James Carroll, is now in full blast, and this popular butcher is supplying all the refined meat eaters of that portion of the Fourth Ward with splendid meat. If you have not tried him give him a call.

Hime's.—Hime, at the old stand, on Sixth street, near Ohio levee, is conducting his barber shop in a first-class style. It is a model establishment in every particular, and while in his charge all its customers will receive courteous attention, and the benefit of excellent workmanship. Hair cutting, shaving, shampooing, etc. my24f

EXCELSIOR SALOON.

Corner Washington Avenue and Fourteenth street.

Fred. Blaukenburg's saloon is newly and elegantly fitted up and supplied with the finest wines, liquors, beer, cigars, etc., that can be found in the city; and Fred. has no superior as a dispenser of delightful beverages. Do not forget the place, corner 14th street and Washington avenue. my24f

FOR RENT.

The house heretofore occupied by Patrick Fitzgerald, on Ohio Levee between Fourth and Sixth streets. This house, if not the best business house is certainly one of the best stands in Cairo. It fronts the principal steamboat landing and is near the Illinois Central railroad depot. Also the second floor of the same building suitably arranged for offices. Apply next door at Robert Smyth & Co.'s wholesale grocery store.

TAKE NOTICE.—TIME TABLE OF THE ILLINOIS CENTRAL RAILROAD.—On and after Sunday, May 14th, 1871, the following time-table will govern the arrival and departure of passenger trains at Cairo:

Depart—Mail train, daily, 11:45 p.m.

Express, daily, 2:45 p.m.

Arrive—Mail, daily, 3:30 a.m.

Express, daily, except

Sunday, 3:30 p.m.

Although the regular St. Louis train is taken off both trains out of Cairo will have through cars for St. Louis, which will be taken through from Du Quoin by the trains on the Belleville road. Direct and close connection will be made at Du Quoin, and there will be no change of cars from Cairo to St. Louis. The train leaving Cairo at 11:45 p.m. will have a through sleeping car for St. Louis. The attention of shippers is especially called to the fact that a Fruit Express train will leave Cairo daily, Saturdays excepted, and will make the run from this city to Chicago in twenty-two hours.

JAS. JOHNSON Agent.

DID YOU EVER?—"No, I never," saw a more cozy and complete barber shop than that of Anthony Eschbach, one door below the post office. The room has been newly papered, the floor newly covered and the whole establishment put in first-class order. Eschbach is one of the most experienced, skillful and accommodating barbers in the State, employs courteous and expert assistants, and keeps just such a shop as citizens and strangers will take a solid satisfaction in patronizing. my18dlm

A CURE GUARANTEED.—Kress' Fever Tonic is universally recognized as the best medicine extant for the cure of fevers. It is for sale by P. G. Schuh, druggist, two doors south of the postoffice, and he guarantees all who buy from him that it will cure chills and fevers. If it does not cure Mr. Schuh agrees to return the money. Can anything be fairer than this? my24df

THE FERTON CORN MILL.—This establishment, corner of Commercial Avenue and Twentieth street, is now in charge of Mr. M. D. Gunter, who having purchased and thoroughly refitted it, invites the attention of the public to the fact that he is now prepared to furnish dealers and families with the very best article of corn meal. Orders left at the mill or sent through the postoffice will receive prompt attention. if

KEEP COOL.—Refrigerators, ice chests, water coolers, I X I ice cream freezers, bath tubs, japanned cloth for window screens, etc., etc., at

BEERWART, ORTH & CO'S,

GRAND CONCERT.

At Washington Hall Garden on Sunday Afternoon and Evening.

There will be a grand sacred concert at Washington Hall Garden, on Sunday afternoon, commencing at 3 o'clock, and also in the evening at 8 o'clock, when Prof. Burghardt's will exhibit for the delectations of young and old his wonderful marionettes and automations. The public are invited. No charge.

A CORRECTION.—We willingly give place to the following note from the Cairo Box and Basket Company contradicting the report that their establishment had been on fire:

CAIRO, Ill., June 8, 1871.

Messrs. J. H. O'NEALY & Co., GENTLEMEN: We noticed in a recent issue of the BULLETIN a statement to the effect that the buildings of the Cairo Box and Basket Co. were or had been discovered on fire, and but for the timely presence of some of the employees would have been burned down, etc.

We would request you to correct the statement made, as there has been no fire, except in its proper place, or an alarm of fire about the factory since it was erected. Yours, Respectfully,

C. B. & B. Co.

CAIRO AND FULTON R. R.

Bright Prospects for its Early Completion.

The Little Rock State Gazette, of the 6th inst., says "the prospects for the early completion of the Cairo and Fulton Railroad continue to brighten. The grading from the present terminus (twenty miles out) to Little Rock River—a distance of fifty miles—is about completed, and the ties are out for two-thirds of that distance. One thousand tons of iron have arrived here during the past ten days, and there is more en route. The contract for completing the road from Little Rock River to the Missouri line has recently been let to Messrs. Mandeville & Allen, of St. Louis, who are also the contractors on the Iron Mountain road. They will push it through as rapidly as possible, in order to give us connection with St. Louis. At the point where the Cairo and Fulton and
